

This is to certify that

Delta Design Systems Ltd

Supplier Number: 83647

are now fully registered as a supplier on the Utilities Vendor Database for the following product/service categories:

- 1.04.06 Scada & Telecontrol Equipment
- 1.08.05 Distribution Boards (1kV & Below)
- 1.08.07 Electrical Motors
- 1.08.11 Portable Power Supplies/Mobile Generators (excl. Fixed Generators - use 1.11.06)
- 1.08.18 Programmable Logic Controllers (PLC's)
- 1.08.20 Electrical/Electronic Components
- 1.08.21 Control & Instrumentation Systems & Spares (excl. Nuclear - use 1.22.12)
- 1.08.22 Control & Instrumentation Automation Hardware
- 1.08.24 Instrumentation & Associated Equipment (excl. Optical)
- 1.08.99 Other Electrical, Control & Instrumentation Equipment

UTILITIES PREQUALIFICATION SCHEME

Richard Perrin
Steering Group Chairperson
RWE npower

This certificate indicates that the supplier named above is registered to supply the products and/or services above to the utility companies using the Utilities Vendor Database.

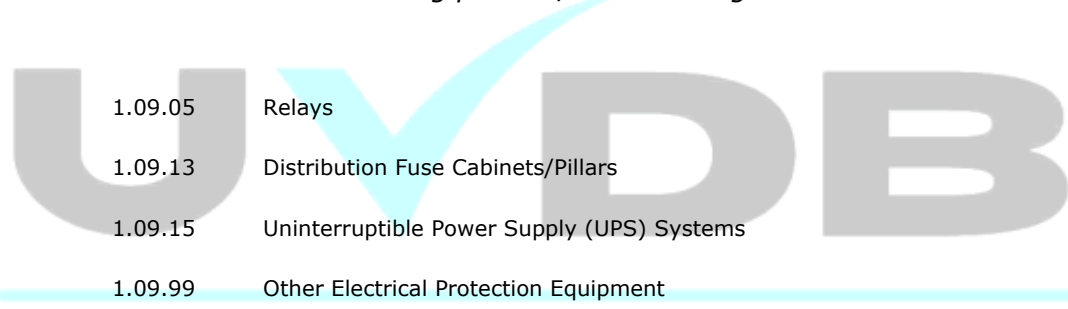

Registration Expiry Date: 04 August 2009

This is to certify that

Delta Design Systems Ltd

Supplier Number: 83647

are now fully registered as a supplier on the Utilities Vendor Database for the following product/service categories:

- 1.09.05 Relays
 - 1.09.13 Distribution Fuse Cabinets/Pillars
 - 1.09.15 Uninterruptible Power Supply (UPS) Systems
 - 1.09.99 Other Electrical Protection Equipment
-
- 1.11.04 Generators - Power Station
 - 1.11.06 Engines & Engine Spares (excl. Mobile Generators - use 1.08.11)
 - 1.11.23 Combined Heat & Power (CHP) Plant
 - 1.11.99 Other Generation Plant & Equipment
 - 1.16.06 Electrical Metering Control Devices
 - 1.16.16 Governors, Regulators & Associated Equipment
